What Do We Have When We Have Unity?

With true unity we become a community. When we get along, we are a close-knit, loving, caring family. The fellowship and love that we share serves to make our bond stronger.

With true unity we can have immunity. The more time we spend together, the better inoculated we each become from the influences of the world. Sharing our lives with one another makes each stronger.

With true unity comes opportunity. When we blend our time, talents, and efforts together, God opens many doors of service. When we put forth a unified effort in His name, we always grow stronger in influence.

"from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love." (Ephesians 4:16)

- Edd Sterchi Campbellsville, KY

"Behold, how good and how pleasant it is For brethren to dwell together in **unity!**" Psalm 133:1

"I, therefore, the prisoner of the Lord, beseech you to walk worthy of the calling with which you were called, with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the **unity** of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called in one hope of your calling; one Lord, one faith, one baptism; one God and Father of all, who is above all, and through all, and in you all." Ephesians 4:1-6
