FOCUS on one
Luke 15:4

What man of you, having a hundred sheep, if he loses one of them, does not leave the ninety-nine in the wilderness, and **go after the one which is lost**

A very important announcement and opportunity for members here at the Horse Cave church of Christ from our shepherds. The end goal is to help folks see God in a big picture from Genesis to Revelation. We must reach and evangelize people with the good news of Christ. This initiative will be a special blessing to all who participate. Here are their thoughts in an effort to increase more knowledge of God's Word for us and anyone else who needs it.

We suggest that our members listen to this comprehensive study that delves into the interconnectedness of the Bible, spanning from Genesis to Revelation. This live study is accessible on your phone or computer every Tuesday evening at 7 pm CT. You can join the study by visiting housetohouse.com/study or by scanning the QR code on the graphic with your camera.

The study began Tuesday, Jan. 27 and you can watch it by signing up online. You'll also receive an email reminder each Tuesday. Additionally, if you're unable to watch the live broadcast, you can access and watch past lessons anytime you prefer. We highly recommend this series.

P.S. This free study is also available for anyone who wishes to take advantage of this great study opportunity. -Wayne

The "Big Bang" Theory

I have to come clean and confess that I believe in the Big Bang. NOW WAIT! Don't stop reading here. Let me explain.

The Bible, itself, teaches a "Big Bang." Read it for yourself... *"But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up"* (2 Peter 3:10).

There you have it..."The Big Bang." Only the biblical "Big Bang" occurs at the end of time, not the beginning as the evolutionists teach.

The evolutionists are partly right. There is a "Big Bang." However it didn't occur in the beginning, but will occur at the end. And it didn't bring things into existence, but will take things out of existence.

- Steve Higginbotham Jan. 2008
