Ten Reasons To Study the Bible

1. The Bible yields sweet fruits to him that reads. Its depths are unfathomable, and its riches are unlimited (Rom. 11:33).
2. A knowledge of Gospel truth is necessary before we can be made free from sin (John 8:32).
3. We cannot make clear to unsaved people what is not clear to ourselves (Luke 6:39; Rom. 2:19; 2 Pet. 1:9).
4. The possession of a working knowledge of the Bible arms one for the warfare of life (Eph. 6:17).
5. A working knowledge of the Bible "furnishes the man of God to every good work." There is a Bible message to cover every condition and problem of every human being. It can be used in every emergency from the cradle to the grave (2 Tim. 3:13-17).
6. The knowledge of the Bible enables one to comfort and help discouraged and distressed brethren (1 Thess. 4:18).
7. Only by a knowledge of the Word of God can you feed your soul (Matt. 4:4).
8. A lack of Bible knowledge will make you a workman that needeth to be ashamed, because you do not know how to handle aright the word of truth (2 Tim. 2:15).
9. A knowledge of the Bible is the only safeguard against fatal error (Mark 12:24).
10. We cannot be the parents we ought to be without nurturing our children in the chastening and admonition of the Lord (Eph. 6:4).
