God's Grace

by Ron Thomas

It has been said that God's riches were given to man at Christ's expense. While this acrostic idea may easily preach (and it is true), it is more accurate to say that God's riches were given to man as the Lord willingly gave up the glories of heaven for the benefit of those He loves (all of us).

God's grace, it is our message to a world lost in sin but refuses to think they are guilty of anything as seriously consequential as eternal death. Some will speak as if they "okay" with the idea of going to Hell, but they have no idea about what that means, except to say it can't be as bad as some harsh Christians say it is. "Anyway, my friends will be there!" They judge their actions as not being worthy of the Lord's favor, but neither do they care.

We are very much aware of how the worldly mind thinks on this or that topic, and we also know the mind of the Lord and His view toward those who reject Him. With this knowledge, what do we do in a sinfully vile world around us?

Let us begin by understanding that we must live the life of Christ (Gal. 2:20). Difficult as it may be to do this, even more so - Ron Thomas preaches for the Church of Christ at Rio Grande in Bidwell, OH. He may be contacted at etsop95@gmail.com, consistently, we must begin here. Next, be sure we speak the words of Christ. When we speak of His saving grace, how He has given to each of us a hope that none in the world can take away (Rom. 8:24), repeat this message; in time, it will be heard. Third, support those who are serving in capacities that we are not, whether it be as elders, preachers, missionaries, schools of preaching, websites that promote the Lord's way, etc. Fourth, do you enjoy being with your brethren? If so, then make association with them your priority and not those outside the Lord. Those things / events you value you will pursue, attain, and promote.

These are some things we can do, and if we do them with commitment, enthusiasm, and loyalty to the Lord, a difference we will make.
