The book of James is known for its practical and relevant instructions for everyday living. James, the brother of Jesus and a key leader in the early church in Jerusalem, wrote this book to Jewish Christians who had been scattered abroad. They were going through various trials and tribulations. It's a book that defines true biblical faith. The messages in James are timeless and necessary for us today.

James writes in five short chapters some of the most profound words of wisdom and guidance found only in the inspired Word of God.

In our Summer Series, our eight speakers will only be able to scratch the surface of the rich content of this marvelous book. But, I promise you they will challenge us and leave us desiring to study in more. Bring your bible and be blessed. -Wayne

America's Greatest Defense

The Bible insists that there is a connection between the moral vigor of a nation and its survivability. The strength of any nation lies in the goodness of its people.

"Blessed is the nation whose God is the Lord" (Psalm 33:12). *"Righteousness exalts a nation, but sin is a disgrace to any people"* (Proverbs 14:34).

History is full of examples of nations which fell because they forgot God and failed to walk in His ways. Because of their national iniquity, God allowed Israel to fall to Assyria in 722 BC. The wickedness of Assyria, in turn, led to their fall to the Babylonians in 612 BC. The nation of Judah fell to these same Babylonians in 586 BC. And, once again, God said it was because of sin. Mighty Babylon became so steeped in corruption that God overthrew it in 539 BC. Eventually Rome, the mightiest empire the world had known, collapsed when its burden of wickedness became too great to bear.

And America????

Righteousness is America's greatest defense; sin is our window of ultimate vulnerability.

Do you love your country? Do you want to do something good for it? Then do all you can to help turn America's heart back to God!
