The book of James is known for its practical and relevant instructions for everyday living. James, the brother of Jesus and a key leader in the early church in Jerusalem, wrote this book to Jewish Christians who had been scattered abroad. They were going through various trials and tribulations. It's a book that defines true biblical faith. The messages in James are timeless and necessary for us today.

James writes in five short chapters some of the most profound words of wisdom and guidance found only in the inspired Word of God.

In our Summer Series, our eight speakers will only be able to scratch the surface of the rich content of this marvelous book. But, I promise you they will challenge us and leave us desiring to study in more. Bring your bible and be blessed. -Wayne

AN EXAMINATION OF ALCOHOL FROM THE BIBLE

That is the title of July's edition of the Spiritual Sword Publication. Our elders here at Horse Cave have believed in the quality of this publication as it is mailed to our members.

I highly recommend this one and encourage you to pick up your copy and study the excellent lessons. There are 14 preachers of the gospel all addressing various issues and points dealing with the topic of alcohol. It is worth your time to read and study.
